

Training network for research into bone Fragility In Diabetes in Europe – towards a personalised medicine approach

This project has received funding from the European Union's Horizon 2020 research and innovation program under the MARIE SKŁODOWSKA-CURIE grant agreement no. 860898

Checklist for applicants

Before uploading/sending your application, please make sure that

1. you have **carefully read** both the general information on [how to apply](#) as well as the specific requirements of the ESR position you are applying for
2. in your application you provide the following information

- Motivational letter
- CV
- Certificates of your BSc and/or MSc degrees (transcribed into English)
- Abstract of Master thesis (*If you are applying for a position in the UK and do not have a MSc degree, please provide an abstract of your Bachelor thesis.*)
- Most recent school leaving certificate (e. g. university-entrance diploma, GCSE, Matura, vocational school degree, etc.)
- English language certificate(s) (*If English is not your first language.*)
- Certificates of professional skills

Please note:

The host institution may ask you for further information/documents according to the specific requirements of the individual ESR position you are applying for. Therefore, please make sure that you know what these are and include them in your application.

As a final step, please assemble all documents into **a single pdf file**. The size of the pdf should **not exceed 12 MB**. Any files larger in size may be rejected by the server and not go through.

Please upload your application [here](#).
